

CHILDREN'S THEATRE CLUB

The Children's Theatre Club (CTC) is a dynamic integrated arts programme that combines performing and creative arts. This programme is designed to introduce Cherie Hearts' students (aged 3-6 years) to the importance of arts education. It introduces children to the arts through interactive and imaginative story-telling using puppetry, music & movement, craft activities and dramatic play. It aims to engage children in meaningful experiences and delivers progressive educational outcomes that leads to the **Trinity Guildhall Young Performers Certification**.

The certificates offered are:

BRONZE (4 years old)

SILVER (5 years old)

GOLD (6 years old)

situations through the imaginative and integrated use of movement, music, voice and artwork.

The programme is designed to develop confidence, group interaction skills, language skills, strong imagination and a sense of achievement in young people. It encourages children to develop performance, musical and communication skills as they create and explore stories, songs, roles and

The Children's Theatre Club is offered continuously on a term basis. Each term, the program is offered over 12 consecutive weeks. Once a year, in November, children in the CTC program will celebrate their participation in a fun and non-threatening performance assessed by a qualified assessor from Trinity Guildhall, and they will be awarded the Trinity Guildhall's Young Performers Certificate (YPC) – Bronze for N (4 yrs), Silver for K1 (5 yrs), and Gold for K2 (6 yrs).

Research has shown that the arts play a significant role in shaping lives, providing inspiration and awakening talent. Hence children should be exposed to the inspirational world of theatre, dance, music, drama, art, imaginary tales and literature that will transform their lives as early engagement with the arts is imperative to the development of a whole person!

The Children's Theatre Club is offered in English and/or Mandarin languages and taught by performing arts practitioners and educators.
